

## GTA'S MOST TRUSTED TIRE PARTNER

With more than 20 years in the commercial tire industry, we have the knowledge and experience to support your business. Our approach is customer-centric and focuses on achieving your objectives. We will give you honest service and expert advice based on your needs. Our facility is conveniently located near the intersection of Highway 401 and Dixie Road in Mississauga – steps away from Pearson International Airport.

## BEST-IN-CLASS TIRE SOLUTIONS

We work with fleet managers and business operators to establish comprehensive, efficient and cost-effective programs. Our approach takes into consideration the type of applications needed, the type of work performed, the equipment being used, expectations around fuel-efficiency, downtime and brand preference. Gaining a strong understanding of your unique service needs is necessary to recommend tire brands, models and sizes that are best suited for your business. Over the years, we have gained the support from key tire manufacturers and have worked with a diverse and loyal customer base including those in Construction, Waste Disposal, Line-Haul, Reginal, Container, Farm, Off-The-Road and Industrial Segments.
